

## Learning like Calla A Clinical Trial Is...

What do you think a clinical trial is?

---

---

---

## The Four Promises Are...

What are the four guiding principles for ethical research? What do they mean?

1. \_\_\_\_\_

---

2. \_\_\_\_\_

---

3. \_\_\_\_\_

---

4. \_\_\_\_\_

---

## Now It's Your Turn.

Just like in *Courageous Calla*, think about an example from your own life (things you do) for each promise. Explain how it is a good example of the promise.

### Respect for Autonomy

---

---

---

---

### Nonmaleficence

---

---

---

---

## Beneficence

---

---

---

---

## Justice

---

---

---

---
